ECONOMIC BENEFITS OF MALL OF AMERICA
Mall of America® generates over $2 billion in economic impact annually and with the completion of The Expansion, that number is projected to double

• Since opening in 1992, Mall of America® has had a significant and positive economic impact on the City of Bloomington, the Minneapolis/St. Paul Metro Area and the State of Minnesota.

• Mall of America is one of the largest tax payers in the state and has generated more than $1.2 billion in state, county and municipal taxes since opening.

• MOA™ currently employs 13,000 people and increases to 15,000 during the summer and holiday seasons; with the completion of The Expansion the number of employees is projected at 20,000.

• Each year, over $80 million in taxes is generated and the City of Bloomington estimates that Mall of America has generated four times more tax revenue than an alternative market-driven development.

• Out-of-state tourists visiting MOA spend more than $3.2 billion annually outside the Mall, on items such as hotel rooms, rental cars, dining, attractions, sporting events, etc.
Employing almost 24,000 people, WEM® is a fully integrated, climate-controlled tourism, entertainment and retail “city” of 5.3 million square feet. West Edmonton Mall® is home to more than 800 stores and services including 10 amazing attractions, a world-class hotel, the widest variety of retailers, 100 dining venues to suit all tastes and entertainment for all ages.

West Edmonton Mall’s mission is to provide every guest with a unique shopping and entertainment experience. More than 30.2 million people, seven times the population of the Province of Alberta, visit the Mall each year, making it the province’s number one tourist attraction.

West Edmonton Mall is the world’s most comprehensive retail, hospitality and entertainment complex. As the iconic prototype for mixed-use facilities, it remains the benchmark by which all other shopping centers are evaluated.
Many American retailers, including Abercrombie & Fitch, Anthropologie, Bath & Body Works, XXI Forever, Hollister, Pink, Urban Outfitters and Victoria’s Secret, have made West Edmonton Mall® their first entrance point into the Canadian market.

WEM® was first to introduce such iconic retailers as 7 For All Mankind, Aéropostale, American Apparel, American Eagle, Apple, A|X Armani Exchange, Banana Republic, BCBGMAXAZRIA, bebe, Build-a-Bear Workshop, Coach, Geox, GUESS by Marciano, Harry Rosen, HUGO BOSS, Lacoste, Lolë, MAC Cosmetics, Oakley, Old Navy, Pottery Barn, Sephora, Steve Madden, Williams-Sonoma and Zara to the Edmonton market.

In 2012, Simons, Quebec’s leading fashion retailer for more than 170 years, opened a 120,000 square foot location at West Edmonton Mall, their first store outside of Quebec.

In Fall 2013, Tiffany & Co. will open a prominent 3,000 square foot store, their first location in the Edmonton market.

West Edmonton Mall® is in the process of being transformed with a multi-million dollar renovation creating a renewed upscale environment.

ECONOMIC BENEFITS
OF WEST EDMONTON MALL®

The incremental impact takes into account only expenditures made and taxes generated directly as a result of the West Edmonton Mall® operations. In other words, these expenditures would not have been made and these taxes would not have been generated if the Mall did not exist.

Key Findings, Incremental Impact, 1992-2012

• WEM provided incremental value added (income) of $17.1 billion
• WEM provided total of 350,000 incremental person years of employment. This involves a sustained employment of 24,000 incremental full-time job equivalents
• WEM provided incremental labor income of $10.1 billion
• WEM generated incremental tax collection of $3.5 billion by the federal government
• WEM generated $1.15 billion in incremental provincial taxes which the Government of Alberta would not have collected if the Mall did not exist
• WEM generated $470 million in incremental local taxes which the local governments in Alberta would not have collected if the Mall did not exist
• For every dollar spent in WEM, $1.25 is spent by the same tourists outside the Mall

Direct incremental expenditures in Alberta by visitors to West Edmonton Mall were $12.9 billion
